

Wilmington-Cape Fear Rotary

Project Funding Application

2024-2025

Thank you for your application for funding from Cape Fear Rotary. This application is intended to be easy to complete, providing us with general information about your nonprofit agency and project. Please note that the typical amount funded is between-\$2-4,000, the target audience for our funding is children, and the identification of a Rotary member familiar with your project is required.

You may use additional sheets of paper to answer these questions in type or handwritten.

Name of organization:

Your name:

Address:

Contact email:

Contact phone:

Organization website:

1. Describe the project, its location, audience served and objectives.
2. Budget - Please include a budget for your agency.
3. Funding - Please include the dollar amount you are seeking with this grant application?
4. Describe how the project will benefit the community and/or improve the lives of those served.
